

R1234YF A/C Handling Systems

General Features:

- Innovative, ergonomic hinged service door simplifies unit service
- 7" capacitive touch screen and intuitive user interface
- Bright LED indicator light
- Wireless software update capability
- Automatic weighing of recovered oil
- Data management and reporting for refrigerant use optimization and warranty reporting
- Connectivity for remote technical support

Model specifications

ACX2250

460 80446 00

DISTINGUISHING FEATURES:

- + Network printing capability
- + Non-integrated refrigerant identifier
- + Optional iOS and Android phone app for remote service session mirroring and advanced functionality

ACX2280

460 80449 00

DISTINGUISHING FEATURES:

- + Network printing capability
- + Integrated refrigerant identifier
- + EcoLOCK® R1234YF Couplers
- + Included iOS and Android phone app for remote service session mirroring and advanced functionality
