

# PSX-1 Power Steering Fluid Exchanger & ATX-2PS Combo Unit

## PSX-1 Power Steering Fluid Exchanger

*Offer power steering fluid exchange service with this fast, reliable and easy to operate machine.*

- ◆ Multi-fluid capability—quick and easy changeover between different power steering fluid types
- ◆ Fast, accurate, dual pump operation
- ◆ Quick and profitable, complete service time averages 5 – 10 minutes
- ◆ Provides professional, thorough exchange of fluid
- ◆ Easy service hook-up—direct interface with power steering fluid reservoir
- ◆ Easy mobility—4 durable, swivel casters
- ◆ Simple operation—just flip a switch and begin extracting or adding fluid
- ◆ High quality, positive displacement diaphragm pumps require no priming, and are designed for years of operation
- ◆ Available for bench-top mount (use your workbench or cart)
- ◆ Available to mount on existing ATX-2 unit
- ◆ Clear two-channel hose, provides excellent new versus used fluid visual
- ◆ Convenient shelf for storage and small footprint saves valuable shop space
- ◆ Professional appearance helps sell legitimate OEM recommended service
- ◆ Clean operation—hose end caps prevent fluid spill
- ◆ Lifetime toll-free tech support
- ◆ One year warranty
